50/50 CHARITABLE GIVING PROGRAM

The Newfoundland Chocolate Company is pleased to offer a special 50/50 Charitable Giving Program, available to registered charities in Newfoundland and Labrador. We've implemented this program in response to the volume of requests for donations we receive. We're pleased to offer baskets of our delicious gourmet chocolate at 50% of fair market value. The following guidelines apply:

- The basket must be used for a fundraising event with proceeds going directly to the charity.
- We will match your contribution. For example, if you pay \$25 we will give you a basket valued at \$50.
- We require a minimum of one week's notice to fill an order (two weeks leading up to Valentine's Day, Easter and Christmas).
- You will be responsible for picking up the basket (or pay for shipping outside of the metro St. John's – Mount Pearl area).
- The Newfoundland Chocolate Company reserves the right to decline any request made for a donation.
- We will contact you within two days of receiving your request.

Please complete the information below and return to us by fax (579-6304), along with a written request on your charity's letterhead.
